

FLAT STOMACH

90 x 525 mg capsules
Net weight: 47.2 g

INGREDIENTS AND NUTRITIONAL COMPOSITION FOR THE MAXIMUM DAILY DOSE (6 CAPSULES):

Ulva lactuca algae 600 mg (crustaceans), vegetable coal 600 mg, vegetarian capsule, clay 300 mg, mixture of probiotics (lactobacillus: acidophilus, paracasei, plantarum, salivarius, enterococcus faecium, bifidobacterium lactis, lactococcus lactis) 300 mg (i.e. 600 million germs), sodium bicarbonate 240 mg (i.e. 65 mg of sodium), maize starch, lactose 180 mg, magnesium (in oxide form) 187 mg (i.e. 50% RDA), medium chain triglycerides.

RECOMMENDATIONS FOR USE:

3 to 6 capsules per day to be taken at mealtimes with a glass of water.

CLAIMS:

Vegetable coal contributes to intestinal tract functions and helps to ease flatulence. Magnesium contributes to electrolyte balance, normal functioning of the nervous system, and to reducing fatigue.

WARNING:

Food supplements are to be taken as part of a healthy lifestyle and should not be used as substitutes for a varied, balanced diet. Comply with recommendations for use and do not exceed the recommended daily dose. Keep out of the reach of children. Not recommended for pregnant or breastfeeding women and those sensitive to iodine.
